

# DEAF ASSOCIATION TO HOLD CONVENTION HERE

---

Harrisonburg will be the scene of the next statewide convention of the Virginia Association of the Deaf, according to Charles Christian, of New Errection, who with his son, Alfred, attended the recent gathering of the deaf at Richmond. The convention here probably will be held in the summer of 1928.

There were 156 deaf persons at the Richmond meeting and the Christian report they were royally entertained. Features of the visit were motor trips to Yorktown, Williamsburg and Jamestown.
